## INTRODUCTION

The purpose of CSC is to facilitate quality products and services at the best possible prices for the benefits of its members.

Membership of CSC is free. There is no minimum spend required for membership.

CSC has negotiated discounts with suppliers and distributors that will also generate rebates. CSC will administer these rebates under the terms of its Trust Deed.

BY SIGNING THIS AGREEMENT YOU AGREE TO:

Pay accounts as required by CSC suppliers and maintain a satisfactory credit rating. All members must pay invoices from CSC suppliers in a timely fashion. Failure to do so could result in membership being terminated. As a member of CSC Buying Group you will have access to members only pricing. This information is confidential and is not to be given to anyone outside the group under any circumstances without written permission from CSC Buying Group.

As a member of CSC Buying Group, you agree that preferred suppliers to the Group can send you advertising information and special deals from time to time. CSC Buying Group head office will manage this process to ensure the volume of advertising does not create a nuisance issue for its members.

## AGREEMENT

SERVICE

CSC will work with you to source and select the most suitable products that meet quality requirements and are the best value for money.

Service Review - CSC will meet with suppliers and distributors regularly to discuss the overall supply process with the view of continuous improvements.

## REPORTING

All distributors will provide monthly reports to CSC to enable CSC to measure progress and reconcile rebate income.

You agree and accept that all data provided to CSC from suppliers will be used for invoicing and reconciliation of rebates. CSC will undertake to treat any data provided by suppliers or by you as strictly confidential.

## CONFIDENTIALITY

Confidential information will not be passed onto third parties.

## TERMINATION

Should either party wish to terminate the contract, a termination period of two months notice in writing is required.

If either party breaches any of the above clauses, then the party not in breach can terminate this agreement immediately by notice in writing.

## EXCLUSION OF WARRANTY

You agree that any liability of CSC in relation to any supply of goods by suppliers of CSC shall at all times be limited to the amount of rebates paid to CSC in respect of goods or services purchased by you. You agree that any claim in excess of this will be the liability of the supplier of goods or service.
